Selectmen's Report

2013

In the 2012 Selectmen's report we noted "...Finances continue to be in good shape, despite an unstable economy. The tax rate declined slightly and the town 2012 budget ended with a small surplus. The existing fund balance deficit declined and, will likely, be retired this year (2013). We had anticipated its full pay down this year (2012), but a drop in external revenue and higher than expected auditing costs defeated that goal...."

Correction: We were overly pessimistic! After the adjusted 2012 audit, the deficit was fully retired and 2012 ended with a small surplus. Good news for all! 2013 continued in that trend. We finished the 2013 fiscal year with a healthy surplus and a reduction in the tax rate. We anticipate the final payments of the Public Safety building bond issue, and by 2016, retirement of our term fire truck bond. With that in mind, we have proposed a level funded budget for 2014 and a warrant article in the amount of $90,000 for needed infrastructure repairs and upgrades. The net result of the proposed 2014 budget will be an boost in the unreserved fund balance and, with a little luck, a slightly lower tax rate at the end of 2014. This assumes the School District and Grafton County restrain their budgets.

All in all, the finances are again in good shape. If we address a few infrastructure items over the next few years, coupled with some prudent financial management, the Town should remain one of the lowest tax rates in the State with a reasonable reserve. We must caution that for this to occur, we must avoid the temptation of increased spending beyond our recommendations as the economy is still in a fragile recovery along with the possibilities of outside unanticipated events.

We should acknowledge the cooperation of department heads in Highway and Public Safety for their assistance in helping achieve this goal. Also, to the full and part-time employees who make Bridgewater a nice place to live....Thanks again.

Skip Jenness Terry Murphy Hank Woolner

TOWN WARRANT
STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF BRIDGEWATER IN THE COUNTY OF GRAFTON IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town Hall in said Bridgewater on Tuesday, the Eleventh day of March, 2014 next at twelve of the clock in the noon to act on the following subjects:

Polls to be opened from 12 Noon to 6:00 p.m.

Business Meeting 7:30 pm

1. To choose a Selectman for three (3) years and all other necessary town officials.

2. To see if the Town will vote to raise and appropriate the sum of $ 1,384,818.00 which represents the operational budget. **Said sum does not include amounts in separate or special warrant articles."** (Majority vote required.) Recommended by the Selectmen.

3 To see if the Town will vote to appropriate the sum of $90,000 for capital improvements to replace the town hall and highway building roofs; the purchase of a highway sander and snow plow; paint two buildings; supplemental road surfacing; and ambulance upgrades and further, to authorize the transfer of $90,000 from the December 31st 2013 fund balance. (Majority vote required.) Recommended by the Selectmen

4. To see if the town will vote to accept the provisions of RSA 289:6 II-a providing that the Selectmen serve for the term of elected office as the cemetery trustees indefinitely until specific recession of such authority by subsequent Town Meeting by voting the following " Shall we delegate the duties and responsibilities of the cemetery trustees to the Board of Selectmen?" Recommended by the Selectmen

5. To see if the voters of the Towns of Hebron and Bridgewater will direct the School Board of the Newfound Area School District to undertake a study of the feasibility and suitability of the withdrawal of the Towns of Hebron and Bridgewater from the cooperative district. In accordance with RSA 195, Section 25, the study shall be conducted by a committee composed of at least one member of the School Board from each of the pre-existing districts, one member of the Board of Selectmen from each town, and such other members as may be appointed by the committee. Within 180 days after the date of formation, the committee shall report its findings to the State Board of Education. There is no cost for this study. Recommended by The Selectmen of Hebron and Bridgewater.

6. To see it the town will vote to call upon the US Congress with the support of the NH State Legislature, to move forward with a Constitutional Amendment to regulate political spending and clarify that constitutional rights were established for people and not corporations and, if such an amendment be approved, that the NH State Legislature support such and amendment if sent to the State for ratification. By Petition.

7. To transact any other business that may legally come before the meeting.

Given under our hand and seal, this __14th___ day of February in the year of our Lord two thousand and fourteen.

TOWN OF BRIDGEWATER
Annual Town Meeting Minutes
March 12, 2013

The Annual Bridgewater Town Meeting opened with the Pledge of Allegiance and a prayer at approximately 7:38 pm. Present were Moderator Mike Capsalis, Selectman Terence Murphy, Selectman Maurice Jenness, Selectman Henry Woolner and approximately 80 residents. The Rules of Order were provided by the Moderator and the meeting commenced.

Articles were as follows:

Article #1: "Choose a Selectman for three (3) years and all other necessary town officials". Vote was taken by town ballot of which there were 267 ballots cast. Votes cast were as follows:

Selectman (vote for 1) – 3 year term:
Henry Woolner 204 votes*
Ronald Olszak 28 votes

Trustee of the Trust Fund (vote for 1) – 3 year term:
Peggy Petraszewski 224 votes

Moderator Capsalis stated that the SAU ballots were still being tallied and the results would be provided during this meeting once the count was complete.

Article #2: "To see if the Town will vote to raise and appropriate the sum of $1,384,950 which represents the operational budget. Said sum does not include amounts in separate or special warrant articles." (Majority vote required.) Recommended by the Selectmen.

Selectman Murphy moved this article as written which was seconded by Ralph Lyford. There were no questions to address regarding this article. All were in favor, Article #2 passed by unanimous vote..

Article #3: "Cause of Petition: For the purchase of a new town highway one ton pickup truck with Plow Sander not to exceed the total of $40,000 and the purchase of a new town police cruiser not to exceed the total cost of $50,000. We are signing this petition for the people of Bridgewater, NH to be able to vote on these two vehicles. By Petition. (Majority vote required). Not recommended by the Selectmen. Notice: This appropriate is in addition to Warrant Article #2, the operational budget."

Dana Davis moved this article as written, which was seconded by Tom Kolomick. Dana Davis spoke to this article and the need for replacement vehicles.

Selectman Murphy spoke to this article regarding the impact this purchase would have on the budget as well as the tax rate. Selectman Murphy also suggested replacement/repair of the pick-up truck body to prolong the life of the vehicle. It was stated that this article cannot be adjusted to include these alternate ways to purchase but stated the fact that the town was currently in a deficit, purchasing now was not a good idea. Selectman Murphy did state that a replacement for the police cruiser was needed more, but the Board would like to wait 12-18 months before making that purchase.

Moderator Capsalis asked residents if Chief E .J. Thompson could speak. Residents agreed. Chief Thompson commented on the need for a replacement cruiser in order for police to safely and reliably handle emergency calls. Chief Thompson stated that while he understood the position of the Board of Selectmen, his focus was on the safety of the police officers on call.

No other comments. Article #3 failed majority vote.

Article #4: "To see what action the town will take relative to Dick Brown Pond and the upgrading of an existing culvert and to enter into an agreement with the current owner relative to avoid breeching and/or draining Dick Brown Pond." (Majority vote required.) Recommended by the Selectmen.

Selectman Woolner moved this article as written, which was seconded by Richard Lobban. Selectman Woolner stated that since this article was written the Selectmen have received new information and outcomes regarding this situation, thereby changing the Selectmen's opinion. The Selectmen would like this article turned down.

No other comments. Article #4 failed majority vote.

At this time, the SAU results were completed and read by Moderator Capsalis as follows:

Article #1
School Board – Alexandria
Suzanne Cheney 171 votes

School Board – Bridgewater
Vincent Migliore 173 votes
Tara Pierce 17 votes

School Board – Groton
Jeffrey Levesque 123 votes
Jiri Hajek 27 votes

Budget Committee – Alexandria
Harold Reilly 188 votes

Budget Committee – Bridgewater
Jeff Bird 213 votes

District Moderator
Edward Gordon 212 votes

Article #2 – Teacher Contract Agreement
Yes 179
No 67

Yes 182
No 61

Article #6 – Tax Cap Recission
Yes 76
No 157

Article #7 – Operating Budget
Yes 199
No 43

With the SAU results read, Moderator Capsalis continued with the meeting moving on to Article #5.

Article 5: "To see if the town will vote to authorize the Board of Selectmen to impose a fine of up to$125 per day for construction without a building permit pursuant to the Bridgewater Building Regulations Article I:A and State of NH RSA 676:17." (Majority vote required.) Recommended by the Selectmen.

Selectman Woolner moved this article as written, Judy Faran seconded. Selectman Woolner spoke to this article explaining why this article was created and the hopes that this article will deter residents from building without the proper permit. It is the hopes of the Selectmen that this article will provide a learning tool for residents and is not intended for any other purpose.

Resident questioned how the selectmen planned on communicating this article and potential fines for lack of a building permit to residents.

Selectman Murphy responded that this fee structure will be phased in slowly as a tool to help residents understand the need and why this article was written. This information will also be added to the Town's website.

Resident questioned on who was responsible for obtaining a permit, the land owner or a builder/contractor.

Selectmen responded that the owner is responsible for making sure a permit has been obtained.

Resident questioned on whether there would be a cap on the fee structure in a situation where the daily fine was being charged for an extended period of time.

Selectman Murphy responded that the fine for building without a permit can be contested in small claims court if the resident feels it is unfair, however, as mentioned before, it is the intent of the Selectmen to educate the residents that building permits are required prior to building.

No further comments. All were in favor. Article #5 ruled in the affirmative.

Article #6: "To see if the Town will vote to advise the Board of Selectmen that it does not support negotiating a payment in lieu of taxes agreement with any renewable energy facility in accordance with RSA 36s-A:6-a, and that all such facilities shall pay the full ad valorem tax assessed to such facilities." Recommended by the Selectmen.

Resident Gene Bank spoke on this article regarding the windmills. He explained the process, past, present and future outcomes of this form of renewable energy. Information was available at this meeting as well.

Selectman Murphy moved this article as written, which was seconded by Victor Greenwood. Selectman Murphy spoke on this article explaining the financial outcomes to residents, the view impact and property values.

Resident Gene Bank further spoke on the costs of decommissioning and the lack of benefits from the power generated by the windmills.

Selectman Murphy further stated that typically this type of decision would be made by the Selectmen, however, they feel the residents should be the ones to make this decision. It was noted that tax rates would dramatically increase for all homeowner, whether their view was impacted by the windmills or not.

Article moved to vote. All were in favor. Article #6 ruled in the affirmative.

Article #7: "To see if the Town will vote to require all wind energy facilities that may come to be located in the town to post security in the form of a letter of credit, cash or bond, prior to initiating operations order to cover all of the costs of removing all of the facility upon cea operations for a period of more than 12 months, said amount to be determined by an independent engineer." (Majority vote required.) Recommended by the Selectmen.

Selectman Murphy moved this article as written, which was seconded by Selectman Woolner.

No questions regarding this article. Article moved to vote. All were in favor. Article #7 ruled in the affirmative.

Article #8: "To see if the Town will vote to authorize the Board of Selectmen to petition the Site Evaluation Committee of the State of N to intervene (site 201.11) if a wind energy site application is filed wit the NH Site Evaluation Committee impacting the view shed of Newfound Lake and/or Bridgewater as seen from any point in town. Recommended by the Selectmen.

Selectman Woolner spoke to this article explaining the purpose an asking for the will of the Town.

No questions regarding this article. Article moved to vote. All were in favor. Article #8 ruled in the affirmative.

Article #9: "To see if the Town will vote to support the following resolution: WHEREAS, development of one or more large scale wind farms along the mountain ridge lines visible from Town will negatively impact the Town's rural nature and scenic beauty, now be it RESOLVED that the Town strongly opposes the development of large wind turbines along the mountain ridge lines visible from the Town of Bridgewater or within the Town of Bridgewater."

Resident Gene Bank presented this article and moved this article as written, seconded by Stephanie Bednaz.

Resident Gene Bank spoke to the purpose of this article.

No questions regarding this article. Articled moved to vote. All were in favor. Article #8 ruled in the affirmative.

Michael Capsalis asked if the meeting was to be adjourned, Selectman Woolner moved the motion to adjourn, which was seconded by John Clayton. All were in favor. Meeting adjourned at approximately 9 pm.

Respectfully submitted,

Colleen Kenny
Town Clerk

Bridgewater Planning Board Annual Report

This year has been one of the slowest on record for the Planning Board. There has been very little activity. We approved a site plan, had one boundary line adjustment, and a few preliminary consultations for future development. There have been no formal applications for subdivisions submitted. The Board continues to work together with the Board of Selectmen to better serve the residents and taxpayers of the town. We anticipate another slow year. We stand ready and willing to help or answer any questions regarding planning, zoning or development issues that you may have. Please feel free to contact the board chair anytime.

Police Department
2013 Annual Report

2013 activity/calls for service was lower than previous years. (See www.bridgewater-nh.com for a detailed activity report.) The department is in the midst of personnel changes as EJ Thompson resigned early in January 2014. The Selectmen have appointed me, George Hill as Acting Chief in the interim. I was the Bridgewater Police Chief from 1999-2002. From 2003 to the present, I served in the department as part-time officer. At the request of the Selectmen, the Department is in the process of adding a part-time woman police officer to the staff and expanding coverage. The Department is seeking another qualified part-time officer at a later date to further improve coverage. We are also qualified as EMT and Fire Fighter I or II to assist the other departments in Public Safety.

For the Police Division,

George Hill, Acting Chief

Bridgewater Fire Department
Annual Report

2013 saw Fire and EMS calls drop slightly for the year. Fire and EMS costs also declined slightly. We had a total of 50 fire calls, and 96 EMS calls for 2013.

The Department received a 95% fire grant in 2013 for a thermal imaging camera. It also included funding for a washing extractor for turn out gear. The cost to the tax payers was 5% of $23,000 or $ 1,150. Another 2013 federal grant for turnout gear and SCBA air packs was unfortunately denied. We will re-apply this year for those funds. Either way, we will have start replacing several sets of turnout gear in each of the up-coming years.

Several members of the department completed fire fighter level one and two courses. The EMS dept has seen several members completed advanced EMS training. This past September the entire dept also completed certified fire pump training.

Please remember to check the batteries in your CO and smoke detectors. Thank you for your continued support.

Sincerely
Donald Atwood
Bridgewater Fire Chief

EMS Report
Annual Report

This past year has been steady as the Bridgewater EMS has experienced a small decrease in service calls from the prior year. We are at a staffing level of fifteen part time providers including EMT, AEMT, and Paramedic.

This year the department increased the initial certifications of new members. One of our explorers, Bethany Atwood, joined the Department and obtained her certification as an EMT. We also welcomed Tonya Austin and she came with AEMT certifications. EMT Richard Dulac also gained his AEMT certificate early in the year and, with those additions, our goal of providing advanced life support service in the majority of calls became a reality. With this completion, we have seen a slight increase in our neighboring communities requesting mutual aid from the Bridgewater EMS Department and they, in turn, assist our community in emergencies.

I would like to note that the staff attended continuing education training sessions on their own time. This training allows us to interact with members of other departments, gain knowledge from other sources and receive the latest in training.

We remain committed to respond 24 hours a day.

Respectfully,

Jacob G. Fogarty
Bridgewater Public Safety
Director, EMS
Lieutenant, Fire Dept.

Highway Department
Annual Report

Because of a major mechanical problem with our grader transmission, we had to cut back on some planned projects. The cost of that problem was in the vicinity of $20,000! We will be back on schedule in 2014. I have asked the Select Board for a new plow and sander for this year as the existing equipment is about worn out. We continue to maintain drainage systems and keep the roads graded and safe to travel.

I would like to thank my crew, Bill Bucklin, and Steven Berube for their dedication and hard work. I would like to thank the town's people for their continued support.

Sincerely,

Arnold "Buck" Cate
Bridgewater Road Agent

TOWN OF BRIDGEWATER
ASSESSING DEPARTMENT
ANNUAL REPORT 2013

This past year I visited 25% of the properties in the Town, in order to verify the assessment data that we currently have on file. We are required by the NH Assessing Standards Board to visit each property once every 10 years. I also visited properties that were issued a building permit or had an incomplete project from the previous year(s). Accurate **and** current data are the key to fair assessments.

The Department of Revenue Administration has just returned the results of our 2013 assessment/sale ratio study. Our level of assessment for 2013 is 98.4%.

Next year I will continue the data verification project. Starting in late April and May, I will be visiting properties on River, lower Hammond Hill and Abel Road. In June and July I will visit the balance of Dick Brown Rd and Ridgeview, Bridgewater Hill and upper Hammond Hill. We will mail a letter to all property owners that I plan to visit. If you receive a letter, and you only plan on being in Bridgewater for a limited amount of time next summer, please call and schedule an inspection appointment when you receive the letter. Thanks to all of you who have so graciously participated in this process

Have you visited the Town's web site yet? www.bridgewater-nh.com If you go to the Assessor's Department section there is a link to an online data base that includes all of the assessment data.

I am in the Town Office the second Friday of the month, March through December. Should you have questions or concerns about your assessment, please phone the Town Office to schedule an appointment to meet with me.

Respectfully submitted,
Diana Calder, Assessor

Bridgewater – Hebron Village District

Fiscal Year 2013

Bridgewater-Hebron Village District
2013 Annual Report

The Bridgewater-Hebron Village District Board oversees the building and grounds for the Bridgewater-Hebron Village School, which is owned by the Village District, consisting of the towns of Hebron and Bridgewater. The facility is operated/leased by the Newfound Area School District (SAU4). The school continues to thrive with about 161 students, pre-k to grade 5, and the community at large enjoys use of the facilities.

Your Commissioners and the SAU4 School Board have recently addressed a concern relative to the numbers of students attending B-HVS. There is a clause in the lease stating the number of students attending the school be average as compared to other comparable grades in SAU4. In the past, school choice, as interpreted by Title I, increased the overall number of students in the school. With recent changes in Title I, we asked that greater emphasis on future enrollments relative to the lease be adopted. The School Board and Superintendent agreed, and the net result will be a slow decline in enrollment from other towns at B-HVS.

On other matters, the environmental center (greenhouse) is complete and the curriculum is being developed for the students. A few small items are on the "punch list" and will be addressed this spring. The soccer field upgrade was also finished and, with patience, the grass will improve with proper field management this spring and summer.

The security upgrades consisting of entrance barriers and cameras are functional. Additional security improvements will continue this year. The procedures in place by the School District for fire and intrusions are excellent. Coupled with the initial security changes, this will greatly improve safety matters in the school. We had a number of unanticipated maintenance issues that were repaired during the course of the year. We also refinished the gym floor last summer and had all the carpets professionally cleaned.

One major problem was discovered during construction of the greenhouse. The school asphalt roof is prematurely failing. The 25-30 year architectural shingled roof has lasted only half of its useful life. We are in the process of a warranty claim, but the manufacturer of the roof is in the midst of a class action lawsuit with this line of shingle. Our claim will be long, and the wording of the warranty favors the manufacturer (depreciation, installation issues, etc.). The dilemma is this: If we wait and a major wind/rain event occurs, significant damage to the building may happen. We favor replacement of the shingles while pursuing the warranty matter with the company. We believe we can accomplish this with little impact to the taxpayer, keeping you informed as this issue progresses.

Other than the roof, the building is in great shape. The academic performance of the school is also doing very well. Bridgewater and Hebron have been very supportive of the Village District. We think it is safe to declare: Building this school in 1998 has greatly exceeded our expectations for both communities.

The Village District's Annual Meeting will be held at the Bridgewater Town Hall on Tuesday, April 8, at 7 p.m., with polls opening for the election of officers at 5 p.m. All constituents are encouraged to attend. We thank you for your continued support.

Respectfully Submitted,

Derry Riddle Terence Murphy Bill White

HB Refuse District
Fiscal Year 2013

HB Refuse District
Commissioners Report
2013

With the improved economy, the volume of solid waste brought to the District increased. The recycling rate has also increased greater than the volume and the amount incinerated has declined. Operational costs have continued to decline. Legacy costs continue relative to landfill closures and groundwater studies. The good news is that we have competed the ground water management zone studies and a permit has followed. The C&D landfill is behind us and the groundwater issues allows us to address the discontinued ash landfill. The ash landfill was part of the operation from 1976 to 2000 when we ceased to use it for disposal. We have completed the necessary engineering studies which confirm it is not classified as hazardous waste. The groundwater tests are benign. We are in the process of appealing the DES ruling to removing the ash rather than capping the site in place. Similar ash landfill were capped in place. The science concurs that over 30 years of on-site storage has not compromised environmental quality. (The cost to remove the matter could cost in excess of $500,000!) Will believe this issue will be decide this year. If that matter is settled, other pending solid waste permits will fall into place. We have only 5 years remaining on the bond issue.

As we noted last year, "dumps" used to be the lowest cost to a community. You either buried or open burned the material. For most communities it has fast become the second highest cost in their budgets. This is compounded by the fact that there used to be over 200 landfills In NH There are only 3 left and out of state hauling is fast filling them. This is one of the most highly regulated industries in the state which further complicates the management of the facility.

We appreciate you continued support,

Henry Woolner Skip Jenness Terence Murphy, Commissioners

Bridgewater-Hebron Village District
Proposed 2014 Budget 29-Jan-14
